**Re: MUR 6475
Andrew McCrosson, Jr.**

Dear Ms. Bauerly:

Please be advised that I am in receipt of your letter stamped October 21, 2011 in the above referenced matter.

Mr. McCrosson is currently incarcerated at U.S.P. Big Sandy, P.O. Box 2068, Inez Kentucky 41224 and his inmate number is 63237-050.

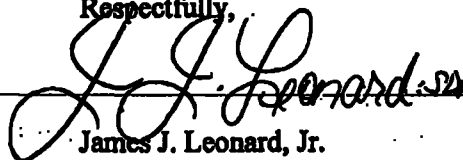

I would ask that any further correspondence regarding alleged violations of the Federal Election Campaign Act be forwarded to Mr. McCrosson for his review and assuming that he would like my legal assistance he can then contact me via email or regular mail to discuss how to adequately respond.

Regarding the alleged violations, I did speak some time ago with an attorney in your office and indicated that the facts spoke for themselves and that we would not be supplementing the record and would simply ask the Commission to take into consideration that Mr. McCrosson has been sent to prison, owes a substantial fine and has had his accounting license suspended.

Mr. McCrosson will emerge from Federal Prison a broken man.

I would ask that all of this be considered with respect to any penalties imposed.

Respectfully,

James J. Leonard, Jr.
